

Dealperk.com and IPSF

DealPerk.com is excited to partner with the Irvine Public Schools Foundation. 10% of any purchase made on DealPerk.com will be donated to the IPSF. We look forward to helping the Irvine Community.

What is DealPerk.com?

DealPerk.com, launched in March 2009 and based in Irvine, is a website that features short term promotions from local merchants. For example, DealPerk.com may offer \$25 of food to a local restaurant for \$10. Local residents purchase the voucher for \$10, support the local business, and receive \$25 in credit at the restaurant. 10% of that purchase price is then donated to the IPSF.

Our vision is to drive business to our local merchants, help our local schools, and provide consumers great value without breaking the bank.

How You Can Support Your Local Schools

1. Use the IPSF link to go to DealPerk.com:
